O R D E R

Reidland Water and Sewer District ("Reidland") initiated this case on May 3, 1993 requesting the Commission approve certain tariff charges and nonrecurring charges. Since the filing, two informal conferences have been held, the last occurring on September 30, 1993. At the conclusion of that conference, it was agreed that Reidland would respond to Staff's concerns and notify the Commission of whether it desired a hearing on these issues. Reidland has taken no further steps to advance this matter on the Commission's docket.

IT IS THEREFORE ORDERED that Reidland shall have 15 days from the date of this Order within which to take affirmative steps in the prosecution of its case. If no response is received within that time, the case will be dismissed.

Done at Frankfort, Kentucky, this 27th day of January, 1994.
